RPAS CivOps 2019 is an international conference focusing on policy & regulatory matters for civil RPAS operators. It will address operational matters, current & future applications, standard operational scenarios, Specific Operations Risk Assessment (SORA), operational experience, airspace integration, operator qualification, pilot training & qualification, test range safety rules, data protection & privacy, within the context of the upcoming **European Union RPAS regulation**.

The **Civil Drone Councils** of **France, Germany, The Netherlands & Spain** will give updates on their activities. A focus will be put on the harmonization of national approaches to matters of critical importance to the current & future RPAS operator community.

The presentations will broaden the awareness of current & future RPAS operators, their potential customers, national regulatory authorities, ANSPs, RPAS manufacturers, service providers, national public/private partnerships, European Commission, European Union agencies, investors & the press.

EXHIBITION

There are no exhibition possibilities.

FOOD & BEVERAGES

Each morning & afternoon will have a refreshment break (*included in the conference fee*). Lunch (*not included in the conference fee*) will be served in the venue's cafeteria.

The 1st day will be concluded by a conference cocktail with cash bar. The refreshment breaks, lunches & cocktails offer exceptional networking opportunities.
