

RPAS - Civil Operations

23 & 24 Jan. 2019
Madrid, Spain

SPONSORSHIP OPPORTUNITIES

Sponsorship of the RPAS CivOps conference permits to be directly identified with this technically informative international conference. The event is organized for the international RPAS community, in response to the requirement expressed by UVS International members for an event where current & future governmental non-military & commercial civil RPAS operators, RPAS manufacturers, service suppliers, pilot training companies, R&D organizations, insurers, academia, current & potential customers can interface with each other, as well as with regulatory authorities and traditional aerial work suppliers.

Organized within the framework of UVS International's Global Access Initiative, in co-ordination with the European Commission, European RPAS Expert Group on Drones, International Civil Aviation Organization (ICAO), European Aviation Safety Agency (EASA), European Space Agency (ESA), EUROCONTROL, European Civil Aviation Conference (ECAC), SESAR JU, European UAS Standards Coordination Group (EUSCG), JARUS, Dutch & French & German & Spanish Civil Drone Council, various EU-financed consortia, as well as with the International RPAS Coordination Council (federation of 24 national associations), this is Europe's only RPAS event, that is totally dedicated to civil RPAS operators & operations + related regulatory & policy aspects.
