## SPONSORSHIP OPPORTUNITIES

Sponsorship of the RPAS CivOps 2020 conference permits to be directly identified with this technically informative international conference. The event is organized for the international RPAS community, in response to the requirement expressed by UVS International members for an event where current & future governmental non-military & commercial civil RPAS operators, RPAS manufacturers, service suppliers, pilot training companies, R&D organizations, insurers, academia, current & potential customers can interface with each other, as well as with national & EU regulatory authorities and traditional aerial work suppliers.

Organized within the framework of UVS International's Global Access Initiative and Drone REGIM initiative, in coordination with the European Commission, European Aviation Safety Agency (EASA), EUROCONTROL, SESAR JU, European UAS Standards Coordination Group (EUSCG), JARUS, European national Civil Drone Councils, and various EU-financed consortia, this is Europe's only event, that is totally dedicated to civil RPAS operators & operations + related regulatory & policy aspects.
