RPAS CivOps 2020 is an international conference for civil RPAS operators **in the context** of the **implementation** of the new **EU RPAS regulation**.. It will address operational matters, current & future applications, standard operational scenarios, Specific Operations Risk Assessment (SORA), operational experience, airspace integration, operator qualification, pilot training & qualification, test range safety rules, data protection & privacy, and insurance, and the **necessary EU coordination**.

Representatives of the **RPAS communities from various European Union Member States** will give updates on their activities. A focus will be put on the harmonization of the national approaches to EU drone regulation implementation in **Belgium, France, Germany, The Netherlands & Spain**.

The presentations & panels will broaden the awareness of current & future RPAS operators, their potential customers, national regulatory authorities, ANSPs, RPAS manufacturers, service providers, national public/private partnerships, European Commission, European Union agencies, investors & the press.

FOOD & BEVERAGES

Each morning & afternoon will have a refreshment break (*included in the conference fee*). Lunch (*included in the conference fee*) will be served in the foyer of the conference centre.

The 1st day will be concluded by a conference cocktail, [sponsored by Netherlands Aerospace Centre (NLR)]. The refreshment breaks, lunches & cocktail offer exceptional networking opportunities.
